# NEW ENP PARK FEES

Everglades National Park will begin collecting entrance fees (aka recreation fees) for all park visitors . As a patron of one of the park's Commercial Use Authorization (CUA) holders (FKFF, our charter company), you will be required to have an entrance pass for water entry within the Park boundaries aboard one of our boats.

Effective February 1, 2019, 7-day passes will be \$15 for 1 person or \$30 per vehicle/vessel (boat) for 2-5 adults . Children age 15 and under are always admitted free.

The pass is valid for 7 consecutive days.

This new Fee is not included in the price of your charter.

You may purchase/acquire your own pass prior to your trip  
OR purchase a pass onboard from your Captain.

For advance purchase you may get a digital pass by visiting [yourpassnow.com](http://yourpassnow.com).

You may also purchase an annual Everglades National Park pass for \$55. A great idea if you plan to be here fishing more than once per year.

Or an annual America the Beautiful National Park Pass for \$80. All Parks everywhere. Information about these and other pass options (like free passes for active military families or senior lifetime passes ) is available at [nps.gov/planyourvisit/passes.htm](http://nps.gov/planyourvisit/passes.htm).

If you already have a valid entrance pass, such as America the Beautiful Pass or ENP Annual Pass or entry pass from the mainland, you need only bring proof.

## IMPORTANT NOTE:

Not all of our fishing charters go into the National Park; however, most backcountry charters do. You may choose to not buy a pass at your own risk. If stopped by the Park Ranger, you, the patron, may be ticketed.
